Please Don't Leave Me

Pretty Maids

In the summer we'd be crazy We'd fool around all the time Oh how I loved that girl When she was mine But now she'd left me For another guy And it really brought me down For without that girl I was lost and found

Oh darling please don't hurt me this way Oh darling please don't leave me Oh darling please don't hurt me this way Oh darling please don't leave me

Now I get messed up And I fool around But there's no fun anymore They say times must change But I'm not so sure Lost lovers of summer As we go our separate way Remember memories you owe Won't bring back those special days

[Chorus]
