In da back of my seats man

-- sittin on deep dishes
S 500 wit da L-G kit man
I'm doin number so don't try to screw me
-- and I'm eatin up like Scooby
I got a pocket full of bread
A girl givin me head in da back row at da movies
Interior Gucci
Please don't stain my seats wit yo coochie
Excuse me
Sssssss ha I smell PUSSY
I never deal wit a hoe who smell like sushi
I know you got to go trick, introduce me (now Blue you know you wrong for da t)
(Slick hold up)

Male gigalo, I get it on da low
Get out my window, rims glow
I ride slow forever flossin you don't know

[Chorus]

[Spectacular]

You can call me big 4 when I'm in my dome

Suade on da seats wit da suicide doors
Neon light that make da dash board glow
Paint swelled up like apple pie
Stayin' high 'cause I'm super-sized all the time
2 seconds to get me from 0 to 60
I ain't pullin over then you betta come get me
Girls goin wild when I'm on da scene
My seat belt buckle got TV screens
Bluestars stuck by custom glass
And you can hear dem pipes when I'm hit tags

[Chorus]

[Slick 'Em]
