When we made good love  
Listening to some Pretty Ricky  
All night long

Let's make dis moment once again perfect  
So won't ya, so won't ya  
Do it for us babe?

A good lovin' body, rockin', knockin' boots all night long  
Making love until we tired till the break of dawn  
So come on and turn da lights down  
And let me jump on it, yea yea  
Cuz when we do just me and you, it'll be so right  
Pretty Ricky

Somebody rockin', knockin' da boots
