

## Lay Your Body Down

Pretty Willie

Lay your body down  
And let me touch your body.  
And know its going down  
cause ain't nobody here to stop me.  
And I you heard about  
my freaky reputation  
so don't listen the crowd  
because you know that they be hating on me

I know its been a minute since i spent some time with you. But all i wanna do is make you scream out wo we wo. No need to rush it ma imma make everything suitable gotta let you know this proposition not refuable. we gonna play this song right here. So you better get your body in gear. Get comfortable and have no fear. Cause you know its going down in here so

Lay your body down  
and let me touch your body  
and you know its going down  
cause ain't nobody here to stop me.  
And i know you heard about  
my freaky reputation  
so don;t listen to the crowd  
cause you know that they be hating on me

I know you heard about Tameka and Talisha wo  
Stephine Candy Jalisha Jasmine and Lizzle to  
Why don't you tell me mama what that gotta do with you
