

## Let's Talk About A Man

Prezioso

Let's talk about a man... man, man...  
Let's talk about a man  
he doesn't understand  
to choose one love cause then  
then life won't be the same  
Let's talk about a man  
he doesn't understand  
to choose one love cause then  
then life won't be the same  
Two ladies in the heart  
he needs to stay alive  
two ladies in the heart  
he needs to stay alive  
the love for one of them  
feeds on the other one  
if one is missing then  
the other one will die  
It's all your love  
he needs to stay alive  
two ladies in the heart  
he needs to stay alive  
for one of them  
feeds on the other one  
if one is missing then  
the other one will die  
Let's talk about a man  
he doesn't understand  
to choose one love cause then  
then life won't be the same
