

Astonish You

Pride of Lions

You were born with the grace of an angel
You've been cherished and loved and adored
Though you're blessed with all God has to offer
Let my love take the place of all I can't afford

Everyday I am carried away by emotion
Too strong to hide
I'm trying to keep it inside

I'm wide eyes in wonder at your light divine
I've tried to amaze you with these gifts of mine
Like the moon on the sea, it's my destiny
To astonish you like you astonish me, yeah
(Astonish you, astonish me, astonish)

With a wave of your hand you can heal me
In a touch you can vanish the pain
Turn this common man into a hero
Just to suddenly change him back again

What can I do, the illusion of you's getting stronger
With each passing day
I'm feeling what words cannot say

I'm wide eyes in wonder at your light divine
I've tried to amaze you with these gifts of mine
Like the moon on the sea, it's my destiny
To astonish you like you astonish me
Girl, you astonish me

Astonish
Girl, you astonish
Astonish you, astonish me

I'm wide eyes in wonder at your light divine
I've tried to amaze you with these gifts of mine
Like the moon on the sea, it's my destiny
To astonish you like you astonish me
Girl, you astonish me
