Priestess

I fell for the company girl
And it leaves me in charge
She don□t pay what the salary will
And no company car
And it hurts when it pounds along with this heartbeat.
Well it□s taking its toll, but it won□t for very long

Ill run home, I□m gone

Back to the factory wheel

Believe me IDm in charge
I fell back on a factory girl

But they take me apart

And it hurts when they pound along with this heartbeat.

And if I leave it this way, then it wonDt be there at all

IDm back to the factory wheel And it keeps me coming home It takes me apart And it hurts when it pounds with this heart, so ID11 run home, IDm gone
