

## Two Kids

Priestess

Two kids found dead in the water  
Beside each other  
I don't think they drowned

Ring up the mother and father  
From the gutter  
They didn't want kids around

Hell no I ain't on your side  
But I'm sticking around until I die

Feeling bad cause you bought her then sold her  
To the order  
Of caring takes too much time

If you want some weight on your shoulders  
Create a border  
Id rather be blind
