Boom, boom, boom, boom JR, JR

We L I K E C A R S The cars that go boom, boom, Prima J

We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom, Prima J
We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom

Talk to me boy, tell me what you want Walk with me baby, show me what you got Do your rims shine bright on the side? Will they make me bounce bounce when I ride?

Roll with me boy, do you got enough gas? Let me mess with you baby if you got an S-Class Do you got enough room in the back? Navigation show you where my spot at

Slide to the right, slide, slide to the right Swerve to the left now, swerve to the left Gas break, gas break Woah, let me catch my breath

We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom, Prima J
We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom

Gotta have that bass bump I like it real loud Bump, bump, bump, bump
Make the top drop down
Ridin' low, grip the wheel real tight
Please don't crash when I ride all night

Wanna make it lean, wanna make it scream Wanna make it rock, wanna make it hot Don't skip that track, don't turn it down 'Cause we're rollin' with the homies

Slide to the right, slide, slide to the right Swerve to the left now, swerve to the left Gas break, gas break Woah, let me catch my breath

Slide to the right, slide, slide to the right Swerve to the left now, swerve to the left Gas break, gas break Woah, let me catch my breath

We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom, Prima J
We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom

Nelle like it, Jessi like it, all my girls you know like it Cali and Miami like that boom, boom Atlanta like it, New York like it, chicks in the Midwest they like it Your mama and your granny like that boom boom

We L I K E C A R S
The cars that go boom, boom

We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom, Prima J
We like the cars, the cars that go boom
We're Jessi and Nelle and we like the boom

We like the boom, we like the boom, we like the boom We like the boom, we like the boom, we like the boom
