

Armageddon

Primal Fear

Waited In A State Of Sleep
Until The Time Was Right
Raised To Fight The Holy War
Won't Make It Thru This Night
Innocence Is No Excuse
A Million Gotta Die

Born To Kill - Allah's Will

If This Is Armageddon
Then Who The Hell Are You
The Soldiers Of The Holy War
Are Bringin' Hell To You

Said A Prayer In The Night
A Quick One's Gotta Do
Nothing's True As Fire
And They're Bringin' It To You
The Moment Of Revenge Has Come Now
Never Shall It End

Blind Of Hate - No Debate
