

Living for Metal

Primal Fear

They Were Comin' To Our City
With A Wall Of Energy
Got Their Records And Went Crazy
This Is How It's Gotta Be

This Heavy Sound Has Got Into Our Veins
It Tore Us All Around, Exploring Our Brains

Living For Metal - You Keep Us Going
Living For Metal - We Hear You Rowing
Metal Is Our Life

Now We're Comin' To Your City
Formed A Band Right On Our Own
All The Fans Are Going Crazy
Playing Metal All Night Long

This Heavy Sound Has Got Into Your Veins
It Tears You All Around It's Getting In Your Brains

Living For Metal - You Keep Us Going
Living For Metal - We Hear You Roaring
Metal Is Our Life

Born To Play The Sound,
Bang To The Beat Which Turns You On
Feel The Shakin' Ground So Stamp Your Feet
And Sing This Song

Living For Metal - You Keep Us Going
Living For Metal - We Hear You Roaring
Metal Is Our Life
