

Come Together

Primal Scream

Come together oh, oh, come together oh, oh
Come together oh, oh, come together

Kiss me, won't you, won't you, kiss me, won't you, won't you, kiss me
Lift me right out of this world trip me, won't you, won't you trip me
Won't you, won't you trip me, lift me, ride me to the stars

I'm free, you're free, I want you to touch me
Come touch me, now it's all too much
All too much, all too much

Come together oh, oh, come together oh, oh
Come together as one, come together as one
Up and away come, together oh, yeah
Up and away

This is a beautiful day, it is a new day
We are together, we are unified and all for the 'cause
Because together we got power, apart, we got power

Today on this program you will hear gospel
And rhythm and blues and jazz
All those are just labels
We know that music is music

Today on this program you will hear gospel
And rhythm and blues and jazz
All those are just labels
We know that music is music

Come together as one, come together as one
Come together as one, come together as one
Come together as one

Come together as one, this a beautiful day
It's a new day

Come together as one, this a beautiful day
It's a new day

We are together, we are together
