## Primal Scream

Got a sad destructive feeling, creeping through my soul  
When I'm awake and when I'm dreaming just won't leave me alone  
I know you've got another lover, I know you've got something to  
hide  
You've been acting kind of nervous, you can't look me in the ey  
e

I can tell, I can tell, I can tell you're cheating me  
You're cheating me, cheat, cheat, you're cheating me  
Oohh, baby, I'm free of you  
Oohh, baby, I'm free of you, free of you

Don't want you to touch me, don't you touch me, don't you touch  
me  
Everything is broken, I believe in you no more  
Does she satisfy you, honey, does she make you feel alive  
I can't stand the thought of you naked in someone else's arms

I can tell, I can tell, I can tell you're cheating me  
You're cheating me, cheat, cheat, you're cheating me  
Oohh, baby, I'm free of you  
Oohh, baby, I'm free of you, free of you (t-t-t, t-t-t...)  
I can tell, I can tell, I can tell you're cheating me  
You're cheating me, cheat, cheat, you're cheating me  
Oohh, baby, I'm free of you  
Oohh, baby, I'm free of you, free of you (t-t-t, t-t-t...)

I'm free of you, I'm free of you  
I'm free of you, said I'm free of you  
I've got this sad destructive feeling in my body, baby  
You've been cheating on me, you've been cheating on me  
You've been cheating on me, I can tell, I can tell  
You've been cheating on me and now I'm free of you
