

Higher Than the Sun

Primal Scream

My brightest star's My inner light, let it guide me
Experience and innocence, bleed inside me
Hallucinogens can open me, or untie me
I drift in inner space, free of time
I find a higher state of grace, in my mind

I'm beautiful, I wasn't born to follow
I live just for today, don't care about tomorrow
What I've got in my head, you can't buy, steal or borrow
I believe in live and let live
I believe you get what you give

I've glimpsed, I have tasted, fantastical places
My soul's an oasis, higher than the sun

I'm higher than the sun
