

I'll Be There for You

Primal Scream

You will never be a stranger
I will always be your friend
Be you devil, be you angel
I will always love you 'till the end

I'll be your shelter
I'll be your shelter
In times of storm
I'll keep you warm
I'll be there for you
I'll be there for you
I'll be there for you
I'll be there for you

If your head is strange and messy
If your spirit's cold and dark
If you're feelin' like an outlaw
If you're burnin' out your star

I'll be your shelter
I'll be your shelter
In times of storm
I'll keep you warm
I'll be there for you
I'll be there for you
I'll be there for you
I'll be there for you

I'll be there for you....
