

(I'm Gonna) Cry Myself Blind

Primal Scream

Nothing last forever, it's so sad to lose your love
I've been crazy since you left me, I'm sorry for what I've done
Why did you go, why did you go?
Have you ever had a broken heart, have you ever lost your mind?
Have you ever woke up screaming 'cos you're so lonely, you could die
Why did you go, why did you go? I'm lonely, baby

Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind

Good times don't come easy, dreams don't all come true
The world looks like a prison when you're stinging with the blues
Why did you go, why did you go? I'm lonely, baby

Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind
Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind

Cry, cry, cry, cry, cry, cry
Cry, cry, cry, cry, cry, cry
