Cry, cry, cry, cry, cry, cry

Primal Scream

Nothing last forever, it's so sad to lose your love I've been crazy since you left me, I'm sorry for what I've done Why did you go, why did you go?

Have you ever had a broken heart, have you ever lost your mind? Have you ever woke up screaming 'cos you're so lonely, you coul d die

Why did you go, why did you go? I'm lonely, baby

```
Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind Cry, cry, cry, cry, cry, cry, I'm gonna cry myself blind
```

Good times don't come easy, dreams don't all come true
The world looks like a prison when you're stinging with the blu
es

Why did you go, why did you go? I'm lonely, baby
