

## Sad and Blue

Primal Scream

Baby, I love you, baby I need you  
Baby, I love you, baby I need you  
Baby, I'm lonely  
I need you here to hold me  
I'm sad, so sad and blue  
I'm not with you

Baby, I'm thankful  
Thank you for your kindness  
Baby, I'm thankful, thankful, thankful  
Thank you for your kindness  
You always stood by me  
You never denied me  
I'm sad, so sad and blue  
I'm not with you

Shine on me, sister  
Let your love light shine  
Shine a light on me, sister  
I've got a ragged heart  
I'm feelin' dark  
Let it shine, let it shine  
Let your love light shine

Repeat first verse

Please hold me, I'm lonely  
Please hold me, I'm lonely
