## **Primal Scream**

Baby, I love you, baby I need you Baby, I love you, baby I need you Baby, I'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you

Baby, I'm thankful
Thank you for your kindness
Baby, I'm thankful, thankful, thankful
Thank you for your kindness
You always stood by me
You never denied me
I'm sad, so sad and blue
I'm not with you

Shine on me, sister

Let your love light shine

Shine a light on me, sister

I've got a ragged heart

I'm feelin' dark

Let it shine, let it shine

Let your love light shine

Repeat first verse

Please hold me, I'm lonely Please hold me, I'm lonely
