

## Star Fruit Surf Rider

### Primal Scream

She's a star fruit surf rider flower groove  
Switchblade motorcycle baby blue  
She is love love love, love love love  
Shes a moon child sonic sister pleasure head  
Treasure lips of crimson well looking so head  
She is love love love, love love love

She's taking me away, I'm gonna go forever  
Sugar ditch, honey hips, crimson lips of pleasure  
The only one I want, she does just what she wants  
And she is love love love, love love love
