

Stuka

Primal Scream

I got Jesus in my head like a stinger
He moves from tree to tree
In the back of my mind
A ragged shadowy figure
I got Him

I got Original Sin
I got Original Sin
I got Original Sin
I got Original Sin

I got a demon in my head likes stinger
He moves from tree to tree
In the back of my mind
I got a bad seed I gotta feed
I got Him

I got Original Sin
I got Original Sin
I got Original Sin
I got Original Sin

If you play with fire
You' re gonna get burned
Some of my friends
Are gonna die young
