

# I Don't Know

Prime Circle

Come out with me  
So much to see  
So much to find  
I must confess  
That I'm a mess  
Without you by my side

You're all I need  
You're all I see  
When everything goes wrong  
Feel incomplete without your  
Words to guide me

What we gonna do about it

No I don't know [2x]  
Where to go by myself

I don't know [2x]  
Where to go by myself  
Why did you leave me this way?

Little bit strange  
Little bit weird  
I know it's hard sometimes  
To deal with these traits of mine

But I can't face another step  
Holding on to this regret  
Can't let go no
