

# Miss You

Prime Circle

Lately these days, been doing alright  
Wish that you could see that I'm ok  
Been hard, been tough  
Especially when I try to sleep at night  
Can't get you out of my head

And I say see you someday (2x)  
Oh I'd give anything today  
Just to have you here with me

I miss you  
Growing up getting older  
Looking round at everything  
I miss you , something I said  
And I don't know how I'm ever  
gonna get through

I'm missing you all the time

It's strange how you remember  
Things that most forget  
It's strange how this feeling I have  
Now, I'm never ever, ever  
gonna regret  
It's made me stronger made  
me learn  
Made me carry on and on again  
being the way I could be

Oh I'd give anything  
Just to have you here with me

I miss you  
Growing up getting older  
Looking round at everything  
I miss you , something I said  
And I don't know how I'm ever  
gonna get through

In dreams I see you face here  
And it just stays with me  
And I'm never gonna forget you  
Not as long as I still breath  
I miss you
