

## Sathington Willoughby

Primus

We are gathered here  
Today in these majestic  
halls of old to honor  
a man they call  
Sathington Willoughby.  
There's a joke or two,  
A pun or three  
I feel that must be  
told then I go on to  
speak of Sathington Willoughby.  
Sathington Willoughby  
the legislator that  
penned us up a bill  
that banned the use  
of certain things like this and that.
