

4ever

Prince

If eye never get 2 hold ur hand
If eye never get 2 b ur man

That's ok cuz eye've got other plans
Right now, right now
If eye never get 2 kiss ur lips
If eye never get 2 feel ur hips
Close 2 me

That's ok eye ain't gonna trip

Not now no how

Cuz eye'vv for
4ever
Eternity is just one kiss away

So they say

The opera, jill scott or the fair
Cyprus, if eye never get 2 take you swimming there
If you never know how much eye care
Eye swear

It's not fair

If eye never get 2 make you laugh
If we never get 2 take a bubble bath

Eye don't wanna part with you
Not 2night
If you gonna b a part of my past

Eye just want 4ever

Eternity is just one kiss away

So many things
We can do in the new world

Eye can b ur future lover
U can b my future girl
If eye never get 2 c ur smile

Underneath the white veil
Walkin' up the aisle

Eye just might go crazy

Eye might go wild

So stop lookin at me like that
Unless you want me 2 bite that
4ever

Eternity is just one kiss away

A million 2morrow's
Is better than one day
