

affirmation III

Prince

How are you feeling today, mister Nelson?
I trust you're having a quick and enjoyable adjustment period.
As you can see, we're communicating now telepathically.

(Telepathically)

Telepathically
Which makes things move so much faster here.
After you've completed the planned affirmation therapy, you'll
find this way of interaction far easier.

(Until I, I find my, my way back, home, home)

You've probably felt for many years in your former life, that you were separate from not only others, but even yourself. Now you can see that was never the case. You are actually everything and anything that you can think of. All of it is you.

(Until I, I find my, my way back, home, home)

(Until I, I find my, my way back, home)

(Until I, I find my, my way back, home, home)

(Until I, I find my, my way back, home)

(Until I, I find my, my way back, home, home)

Remember there is really only one destination, and that place is you.
All of it.
Everything.
Is you.

(Until I, I find my, my way back, home, home)

(Until I, I find my, my way back, home)
