

# Anotherlove

Prince

You said I was what you wanted  
Liar, liar  
You never wanted me that way.  
I was just something you flaunted  
Hired... and fired  
U never had a plan 2 stay...

If you don't like it, around here,  
Find another another love  
Anyone can see it's so clear  
find another, another, another love  
If U don't like this baby  
find another, another love  
U don't have a right 2 fake it  
find another, another love

I tried to be what you wanted,  
But I'm tired, I'm tired.  
I don't need you, anyway... No  
The house we use to share it's now  
Haunted, expired  
A couple 100 days we'd have to pray..  
Amen

If you don't like it, around here,  
Find another love, another love.  
Anyone can see it's so clear  
find another, another love  
If U don't like this baby  
find another, another love  
U don't have a right 2 fake it  
find another, another

Move on, move on,  
Move on, move on,  
Find another love, find another love.  
I've got to find another  
(Another another love)

I used to think I was so much fun  
now I'm just the guilty one  
everything we used 2 share  
our clothes and even our hair.  
now all U see is what i did  
but how come I can't tell me that kid  
behind my back I'm just a so and so  
But I'm the greatest living soul  
U'll ever know

Another, another love...
