

Beggin' Woman Blues

Prince

I got a beggin' woman
She beg me all the time
Beggin woman,beg me all the time

If I only had a nickle,guess what?
This,beg for a dime,oh yes she did
Just poverty stricken,wait

I got a beggin woman
Always beggin me
Take her to the mall,she want everything little thing
she sees
She even beg a second for a minute
She beg a long haired poesuem out a tree,oh yes she did

A ain't done talkin' about her..

She beg my Aunt Gertrude
She even beg my Uncle Jake
She even tried to beg the sweetness out of my Grandma's
lemon cake

Oh I got a beggin woman
She beg me,beg me all the time

I still love her though..
But I got one more thing I got to say

She's a cockeyed woman to
She look both ways at the same time
I don't know what she's lookin at
I just know I'm gettin' tired of trying

Listen...
She ask me for the pepper
When she lookin' at the salt
Everytime I try to guess right,it's always little
Prince's fault
Beggin woman
She beg me all the time

Oh no no no I ain't through..

Don't ask her 4 directions, you'll get lost every time
But she's fine, she's fine, she's fine. When lil cock-
eye ?
I still love her..poverty stricken! Cock-eyed! But
fine..

Wait a minute!

She's three handed to
She know just what to do
She's right handed,left handed,and under handed to

With her right hand she'll enbrace you
While her left hand dims the lights

All the time she's rehearsing
For another date she got tomorrow night

Three handed woman
She ain't goin' never,never,never treat me right

With her left hand she'll caress you
With her right hand she'll straighten your tie
When you ain't lookin',she up on the phone
Callin' some other nappy headed guy

Right handed,left handed,and under handed to..

One more thing..
When she says goodnight,she says you the one
Your the one I'm about
But you know you steppin'
Some other man is steppin' out

Oh she thinks she's slick
But she cockeyed,she beg,and she got three hands

But I'm looking for somebody that I can ah.. MMM..
I'm looking for somebody that I can just.. MMM.. MMM
MMM..MMM
Keep..Keep..
Lookin' for somebody that I can just keep satisfied..
