I don't want to take my clothes off But I do I don't want to turn nobody on 'less it's U I don't want to dance too hard But this is a groove I'm hot and I don't care who knows it I got a job to do I'm workin' Workin' up a black sweat I'm workin' Workin' up a black sweat I don't want to break your pride But I got to You better take your woman and hide her 'Cuz I'm about to Show you what's really good Break you off like you knew I would I got a brand new dance And it's called the ... Workin' Workin' up a black sweat I'm workin' Workin' up a black sweat You can act hard if you want to This groove will make you sweat You'll be screamin' like a white lady When I count to three Work little sister, work Work little brother, work I don't want to do nothin' crazy But. I do I'm workin'
