

Dance 4 Me

Prince

Eye like it when you dance cuz it gets me hot
Eye like it when you shake everything you got
Eye like it when you dance cuz it's so sexy
Eye like it when you dance 4 me

Eye like it when you think eye'm all alone
Ur the voice eye hear from the telephone
Tellin me all ur deepest fantasies
Eye like it when you dance 4 me...hallelujah

Eye like it when eye hear a knock
On my door
U r standing there in ur christian dior
Dark sunglasses in the pale moonlight
Eye like it when the scene is right
U can take ur wrap and lay it on the chair
If anybody finds it eye don't care
What we do 2gether makes history
Eye like it when you dance 4 me
Hallelujah

Ur flamenco eyes r all like jazz
With every other sip of what's in ur glass
The sexier you get
The more ur in2 my stash
Eye like it when you dance for me
Hallelujah

(dance... dance 4 me... dance... dance 4 me)

Dance... dance... eye like it when you dance 4 me
