

Dionne

Prince

Well

Dionne

U should have held my hand

U should have let me be your man

Dionne

U should have closed your eyes

U should have held on with both hands 2 your prize

Dionne

U should have let me down easy

If you had no plans 2 please me

Dionne

Dionne

I could have been the 1

I could have shown U the shelter reserved unther the sun

Dionne, Dionne

I could have whispered U'r name

I could have whispered U'r name if only 4 fun

Dionne

U should have let me down easy

If you had no plans 2 please me

Dionne, Dionne

Dionne

Dionne

Dionne, Dionne

We could have shared a martini

We could have danced 2 Mancini, till dawn

Dionne

I should have broke down and kissed U

I should have I just miss U
