

# Erotic City

Prince

I...I...I...I...

Erotic City

Erotic City

All of my purple life

I've been looking for a dame

That would want to be my wife

That was my intention, babe

If we cannot make babies, maybe we can make some time

Thoughts of pretty you and me, Erotic City come alive

We can funk until the dawn, making love 'til cherry's gone

Erotic City can't you see, thoughts of pretty you and me

Every time I comb my hair

Thoughts of you get in my eyes

You're a sinner, I don't care

I just want your creamy thighs

If we cannot make babies, maybe we can make some time

Thoughts of pretty you and me, Erotic City come alive

We can funk until the dawn, making love 'til cherry's gone

Erotic City can't you see, thoughts of pretty you and me

All of my hang-ups are gone

How I wish you felt the same

We can funk until the dawn ('Til the dawn) (Until the dawn)

How I wish you were my dame (Baby won't you call my name)

If we cannot make babies, maybe we can make some time

Thoughts of pretty you and me, Erotic City come alive

We can funk until the dawn, making love 'til cherry's gone

Erotic City can't you see, thoughts of pretty you and me

Baby, you're so creamy

If we cannot make babies, maybe we can make some time

Thoughts of pretty you and me, Erotic City come alive

We can funk until the dawn, making love 'til cherry's gone ('Til the dawn)

Erotic City can't you see, thoughts of pretty you and me

If we cannot make babies, maybe we can make some time (You and me)

Some time, some time, some time, Erotic City

If we cannot make babies, maybe we can make some time

Thoughts of pretty you and me, Erotic City come alive

We can funk until the dawn, making love 'til cherry's gone (Come alive)

Erotic City can't you see, thoughts of pretty you and me

We can funk until the dawn, making love 'til cherry's gone
