

Everlasting Now

Prince

I knew this dude/He was very cool
He used 2 rule/Until he went 2 school
Not a normal school/That breeds a fool
But the ones that teaches/Men aren't fit to rule
That's when he took his pearly crown/He raised it up and spun it 'round
And tossed in2 the deep blue underground
No longer lead by the ways of men/He looked 4 the kingdom deep within
That's when the drums in his head began 2 pound
Don't let nobody bring u down
Accurate knowledge of Christ and the Father
Will bring the Everlasting Now/Join the party, make a sound
Share the truth, preach the good news
Don't let nobody bring u down/The Everlasting Now
Now turn the page, at an early age
This brutha on stage, he was all the rage
He taught an integrated world 2 sing
The color u are don't mean a thing
Everybody's a star all the everyday people sang
He changed the funk, put it in a bag
Then he changed the colors of the flag
But u can't teach a dog new tricks if his tail don't wag
Don't know matter how much money u made
All the cars u got and all the women u laid
Mess with the flag and 2 them u're still a spade
Don't let nobody bring u down
Accurate knowledge of Christ and the Father
Will bring the Everlasting Now
Join the party, make a sound
Share the truth, preach the good news
Don't let nobody bring u down
The Everlasting Now
See this girl in her make-believe world/Plastic boobs and clip-on curls
'Round the pole see her big butt twirl/There r the dreams that do unfurl
Never everlasting
Don't let anybody bring u down/The Everlasting Now
Watch that girl in her make-believe world
Plastic boobs and clip-on curls
'Round the pole see her big butt twirl
Electric beaches skin do bake
Vanilla fudge and wedding cake
If u should die b4 u wake
U got any last requests 2 make?
The Everlasting Now/The Everlasting Now/The Everlasting Now
Johnny, B. Well and bring the beat
From this day forward 'til times indefinite, those who love Christ r the
ones who benefit. All the players' ice melted in2 one platinum chain and in
a downward spiral it dropped down the chain.
"U know, this is funky but I wish he'd play like he used 2, old
scragglyhead."
Don't let nobody bring u down
Accurate knowledge of Christ and the Father
Will bring the Everlasting Now
Join the party, come on make a sound
Share the truth, preach the good news
Don't let nobody bring u down
The Everlasting Now
The Everlasting Now/The Everlasting Now

The Everlasting Now/Now, now, now
The Everlasting Now
