

# Gett Off

Prince

How can I put this in a way so as not to offend or unnerve  
There's a rumor goin' all round that u ain't been gettin' served  
They say that u ain't u know what  
In baby who knows how long  
It's hard 4 me 2 say what's right  
When all I wanna do is wrong

Gett off - 23 positions in a 1 night stand  
Gett off - I'll only call u after if u say I can  
Gett off - let a woman be a woman and a man be a man  
Gett off - I u want 2 baby here I am (Here I am)

I clocked the jizz from a friend  
Of yours named Vanessa Bet (Bet)  
She said u told her a fantasy  
That got her all wet (Wet)  
Something about a little box with a  
Mirror and a tongue inside  
What she told me then got me so hot  
I knew that we could slide

Gett off - 23 positions in a 1 night stand  
Gett off - I'll only call u after if u say I can  
Gett off - let a woman be a woman and a man be a man  
Gett off - I u want 2 baby here I am (Here I am)

Gett off (Gett off)

1 2 3 - Nah, little cutie, I ain't drinkin' (Gett off)  
Scope this, I was just thinkin'  
U + me, what a ride  
If u was thinkin' the same  
We could continue outside (Gett off)  
Lay your pretty body against a parkin' meter  
Strip your dress down  
Like I was strippin' a Peter Paul's Almond Joy  
Lemme show u baby I'm a talented boy

Everybody grab a body  
Pump it like u want somebody

Gett off (Gett off)

So here we-so here we-so here we are, here we are (G-G-Gett off)  
In my paisley crib  
Whatcha want 2 eat? "Ribs"  
Ha, toy, I don't serve ribs...  
U better be happy that dress is still on  
I heard the rip when u sat down

Honey them hips is gone  
That's alright, I clock 'em that way  
Remind me of something James used to say...

"I like 'em fat"  
"I like 'em proud"  
"Ya gotta have a mother for me"

Now move your big ass 'round this way  
So I can work on that zipper, baby  
Tonight your a star  
And I'm the big dipper

(Kick it)

(Gett off)
