

# I Hate U

Prince

U have just accessed the Hate Experience  
Do U wish 2 change your entry?  
Very well, please enjoy your experience  
I never thought that U would be the one  
After all the things that we've been through  
U gave your body 2 another in the name of fun  
I hope U had some baby, if not, boo hoo

It's so sad but I hate U like a day without sunshine  
It's so bad but I hate U cuz U're all that's ever on my mind  
Honey, I hate U - Now everyday would be a waste of time  
Cuz I hate U

I never thought that I could feel this way  
2 fall in love was a table reserved 4 fools  
Say U're sorry if U wanna but it's all in vain  
I'm out the door sweet baby, that's right, we're through

It's so sad but I hate U like a day without sunshine  
It's so bad but I hate U cuz U're all that's ever on my mind  
Honey, I hate U - Now everyday would be a waste of time  
Cuz I hate U

This court is now in session  
Would the defendant please rise?  
State your name 4 the court  
Never mind (Billy Jack Bitch)  
U're being charged with one 2 many counts of heartbreaking  
In the 1st degree  
I don't give a damn about the others  
My main concern is U and me

Your honor, may I call 2 the stand my one and only witness?  
A girl that know damn well she didn't have no damn business  
I know what U did, how U did it and uh.. who U did it with  
So U might as well plead guilty cuz U sure can't plead the 5th  
Now raise your right hand  
Do U swear 2 tell the whole truth  
Not the half truth like U used 2 so help U God?  
Nod your head one time if U hear me  
If U don't, I'll have 2 use the rod  
Anything 2 make U see that uh.. U're gonna miss me  
Yeah, U're gonna miss me  
Uh, uh, uh, oh!

If it please the court  
I'd like 2 have the defendant place her hands behind her back  
So I can tie her up tight and get into the act  
The act of showing her how good it used 2 be  
I want it 2 be so good she falls back in love with me

Close your eyes  
I'm gonna cover your ass with this sheet  
And I want U 2 pump your hips like U used 2  
And, baby, U better stay on the beat  
Did U do 2 your other man the same things that U did 2 me?  
Right now I hate U so much I wanna make love until U see

That it's killin' me, baby, 2 be without U  
Cuz all I ever wanted 2 do was 2 be with U ... ow!

I hate U (I hate U)  
Because I love U (Because I love U)  
But I can't love U (I can't love U)  
Because I hate U (I hate U)

Because I love U  
I love U, baby  
I love U (3x)

I love U cuz U're all that's ever on my mind  
I hate U because I love U
