

# I Like It There

Prince

Anyone can tell I love ya  
Anyone can tell I care  
Twice an hour I'm thinkin' of ya  
Around your waist I wanna be there

On your heavenly body I swear  
I like it there

Anyone can see what's come over me  
Don't u know it's 'cause of u  
I'm in a daze but that's the way it's gotta be  
Let me count the ways I'm diggin' u  
Diggin' u, baby  
I'm diggin' u, baby  
I hope u're diggin' me too

Baby,  
I like it there  
I like it there  
I like it there  
On your heavenly body I swear  
I like it there

Can I count the ways that I'm diggin' u  
I hope u're diggin' me too

Yeah,  
I like it  
I like it  
I like it  
That's right  
On your heavenly body I swear  
I like it there

Every damn day I please u  
What can I say Shakespeare hasn't said before?  
Like an embryo baby  
Don't abort this dire need 4 u  
All my emotional ejaculate on the floor (on the floor)  
And what's more, what's more  
Your heavenly body, baby  
I swear (I swear), I swear  
I like it there  
yeah

(I like it there) Don't think I don't when I do, girl  
(I like it there) U know how much I love ya  
(I like it there) More than I love my hair  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah  
I like it there  
I like it there (I like it there)  
I like it there

On your heavenly body I swear (baby, baby, I swear)  
I like it there
