

Lady Cab Driver

Prince

Taxi! Taxi!

Lady cab driver - Can U take me 4 a ride?
Don't know where I'm goin' 'cuz I don't know where I've been
So just put your foot on the gas - let's drive
Lady - don't ask questions
Promise I'll tell U no lies
Trouble winds r blowin', I'm growin' cold
Get me outta here - I feel I'm gonna die

Lady cab driver, roll up your window fast
Lately trouble winds r blowin' hard, and I don't know if I can last

Lady - I'm so lonely
I know that's not the way 2 be
Don't want isolation, but the air it makes me cold
Drive it, baby, drive it, drive this demon out of me
Take me 2 your mansion
Honey, let's go everywhere
Help me girl I'm drownin', mass confusion in my head
Will U accept my tears 2 pay the fare?

Lady cab driver, roll up your window fast
Lately trouble winds r blowin' hard, and I don't know if I can last

Lady cab driver - Can U take me 4 a ride?

Lady cab driver, roll up your window fast
Lately trouble winds r blowin' hard, and I don't know if I can last

This is 4 the cab U have 2 drive 4 no money at all
This is 4 why I wasn't born like my brother, handsome and tall
This is 4 politicians who r bored and believe in war
This - Yeah, that's 4 me, that's who that 1's 4
This is 4 discrimination and egotists who think supreme
And this is 4 whoever taught U how 2 kiss in designer jeans
That 1's 4- That 1's 4- 4 U have 2 live
This 1's 4 the rich, not all of 'em, just the greedy -
The ones that don't know how 2 give
This 1's 4 Yosemite Sam and the tourists at Disneyland
And this 1- ooh! Yeah - That's the 1.
That's 4- that's 4 the- the creator of man
This is 4 the sun, the moon, the stars, the tourists at Disneyland
This is 4 the ocean, the sea, the shore
This is 4- and that's 4 U, and that's who that 1's 4
This is 4 the women, so beautifully complex
This 1's 4 love without sex
This is 4 the wind that blows no matter how fast or slow
Not knowing where I'm going
This galaxy's better than not having a place 2 go
And now I know (I know)
