Like a Mack

Prince

That's why I never let a man pick out my clothes

Roll up in the town early afternoon (hey hey hey) Looking for the pimp dress that'll make you swoon (hey hey hey) Found a little number and a fancy brassiere (hey hey hey) Lookin' like a mack all up in here (lookin' like a mack all up in here)

Whole block lookin' and the girls are hot Pick one come and show me what you got Everything or nothing if you want a lot of what's cookin' She's lookin', lookin', lookin', lookin', lookin' like a mack, like a mack

Whatcha lookin' at me? Oh! Step in lookin' like who? Whoa! Drop it down then I pick it up slow We run the town, city, states and the globe Tryin' holla, I'm like, "What? No!" Plus he lookin' like eww, gross! I'm on the wave can you keep up with my flow My music bang, you can feel it in your soul

And I rolled up in the town early afternoon On the block lookin' hot like it's early June At the top shinin' bright something like the moon Can you picture with my lyrics bumpin' my cartoons With my ace cause we're queens so we never get carded Kill the scene then we leave call it "dearly departed" Tryin' to dip but we can't cause we getting bombarded You already know we coming the hardest

Cam light flashing and my click is hot Pick one and come and show me what you got Everything or nothing if you wanna a lot of what's cookin 'Cause she's lookin', lookin', lookin', lookin', aw

Look at little Willy walking down this way Only bring a blonde on a good day Not another autograph, cue the DJ Everybody dance when I say Whole block crushing and the girls are hot Dancin' with each other cause the boys are not Tryin' to trade numbers for the drinks they bought But, whatcha supposed to think in a club full of thots

Pro black fashion and the girls are hot Pick one, come and show me what you got Everything or nothing if you wanna a lot of what's cookin' Cause she's lookin', lookin', lookin', lookin', like a mack

Here's my crew dressed in all black like we mobbin' Pockets got the mumps so you know we never starvin' Noddin' and bobbin' our heads to the beat You see how we rockin' shows, go and get up out your seats Life is like a movie when we step upon the stage I got fifty different styles that I got up on display We gon' make the party jump so you know we're here to stay Stackin' paper up while y'all on the same page, come on Cam light flashin' 'and my click is hot (hey) Pick one and come and show me what you got (come on) Everything or nothing if you wanna a lot of what's cookin' 'Cause she's lookin', lookin', lookin', lookin', aw

Tryin' to trade numbers for the drinks they bought (hey hey hey) Drinks they bought, dri-drinks they bought (hey hey hey) Club on a, club on a, club on a Hey hey hey, hey hey hey Club on a, club on a, club on a She's lookin', lookin', lookin', lookin', lookin', like a mack

Lookin', lookin', lookin', lookin', lookin'
