Prince

New Power, New Power, give it 2 me  
Oh, it need some bottom in here... lay it on me

(hey now, hey now)

Everybody on the block say it is the best  
The most vital is what they say, more or less  
It put my name upon my thigh  
It makes me dance, It makes me cry  
And when I touch it race cars burn rubber in my pants

This feeling's so good in every single way  
I want it morning, noon and night of every day  
And if by chance I can not have it - I can't say  
But with it I know heaven's just a kiss away  
Kiss away

Dig me now

Anyone that's ever touched it,  
They don't want anything else (no they don't)  
And I got 2 tell the world,  
I just can't keep it to myself  
All in life becomes easier,  
No question is unresolved  
And I'm not afraid

Come on and touch it, I know U will love it  
With it I know that heaven's a butterfly kiss away

This feeling's so good in every single way  
I want it morning, noon and night of every day  
And if by chance I can not have it - I can't say  
But with it I know heaven's just a kiss away  
Kiss away

Lovesexy

Lovesexy

Rain is wet, sugar is sweet  
Clap your hands, stomp your feet  
Everybody, everybody knows (Lovesexy)  
When love calls, U got 2 go

Lovesexy

Tonight we make love with only words  
Girls first, girls first  
OK so like first I'll start by telling U how  
Intelligent a curve your behind has  
And then I can tell U that I can just smell U  
And race cars burn rubber in my pants  
But I really dig trippin' on the thought of  
Being caught by someone with your beauty, style and grace  
Baby I don't care I would rip out my hair  
4 just 2 nights with your face

I don't want to make love 2 U  
I just want 2 look at U  
I just want 2 listen 2 U

Oh, pretty little whip, U got me drippin'  
Drippin' all over the floor, the floor  
If I come back as a woman, I want a body like yours  
A body like yours

Living rooms  
I think... I think U would  
I think U wanna play house  
Yeah, I think U wanna play house

Lovesexy

U don't mind  
I think U... uh...  
I think U want me to (beep) inside of U  
Yea...yeah... I...

U want (Lovesexy) me to s...suck around your living room  
Ha Ha  
Yeah, U...U want me to walk right down your halls

Mmm hmmm  
Lovesexy

U want me to swivel in your love seat  
Don't U baby?

U want me to write my name on your walls  
U want me to write my name

Lovesexy  
We make love with only words  
I'll make love to U, tomorrow

Sweet dreams
