

Mustang Instrumental

Prince

Baby could U be The Most Beautiful Girl in the World

Oh God what am I gonna do, he finally called
What'll I wear, what will I wear...maybe black
Mmm...too sexy, too mysterious

Ooh maybe the red dress
I don't know, it's too firey
He won't be able to sit still
He won't be able to eat

Mmm...what do I do, what do I do

Maybe white, little white dress
Too pure, too virgin like

Damn, maybe he's just gonna have to see me the way I am
Maybe I'll just wear jeans with my holes
Hopefully he'll like me
I don't know

I hope he can accept me the way I am
Cause I'm crazy about him...
Crazy about him...
Crazy about him...
Crazy about him...
Crazy about him...
