Northside

Prince

This is how we funk on the Northside

This is how we funk on the Northside
Players ain`t gon` stop till it`s sold
This is how we funk on the Northside
2 get paid in the Moneyapple, got 2 be bold

When U cop your paper next Friday
This is what I want U all 2 do
Nevermind the vapor come up my way
We got something freaky 4 U

Never U mind what U find in the state of your mind
Your city or part of town
When U get up in the Moneyapple
Baby U got 2 get down
Down (9x)
Hey hey hey hey!

This is how we funk on the Northside
Players ain`t gon` stop till it`s sold
This is how we funk on the Northside
2 get paid in the Moneyapple, got 2 be bold

(Oh)
(This is how we funk)

When U get tired of the Muzak
That`s playin` on that no-funk radio (Uh)
We gotta taste the bass that`ll take your face 2 the Ace of Spades
U never ever thought your ugly face would go
Bass – tell ya one time

Never U cry when U buy a sample single
From the NPG got joints 4 days
Chart be gone we get it on stage, baby
Aftershow`s on the Internet, players gettin` paid!

Hey, this is how we funk
Oh yeah
Hey, this is how we funk
(Hey) Everybody say

This is how we funk on the Northside
Players ain`t gon` stop till it`s sold
This is how we funk on the Northside
2 get paid in the Moneyapple, got 2 be bold

(Oh, oh)
(How we funk)
(How) (3x)

With a bone 2 play
We can find the mayor
Talk about that piece of land
Fill a garden y`all
Fill a fan with some hand picked images like the man

Sweet potatoes like U never seen (Tell it)
Martin wasn`t the only one that had a dream
Know what I mean? (Woo!)

This is how we funk on the Northside
Players ain`t gon` stop till it`s sold
This is how we funk on the Northside
2 get paid in the Moneyapple, got 2 be bold
(3x)

(This is how we, this is how we funk)
(We, we be...)
(NPG, so funky it`s good 2 me)
(Northside) (Hey)

This is how we funk on the Northside (2x)
Got 2 be bold (Got 2 be)

This is how we funk on the Northside (5x)
