

# Orgasm

Prince

Come on  
Come on  
Don't be shy, it's only U and I  
Isn't that what U want?  
Oh yeah

Oh here I come

Come on then

Keep going  
Keep going  
Oh yeah  
Keep going  
Yeah

Here I, here I, here I come  
(come with me)  
Now  
Come

Imagine what U look like from across the room  
u're almost there

Come

Oh yeah

I love U
