

Pink Cashmere

Prince

Ooh, here I go again fallin' in love all over
Ooh, the cycle never ends, U just pray U don't get burned
Ooh, this fire inside of me, don't nobody realize
(Ooh) Ow, what U are 2 me, but baby U got 2 learn

I'm makin' U a coat of pink cashmere
U got 2 know how I feel about ya, how I always want U near
I'm makin' U a coat of pink cashmere
I'm countin' every minute of every hour til U are here

Girl, can U understand I never used 2 go dancin'?
I.. I was the kind of man who'd rather stay at home
Now when I think about how.. how much I miss U
I wanna jump 4 joy and thank Him I'm not alone (I am not alone)

Ooh, I'm makin' U a coat of pink cashmere
U got 2 know how I feel about U baby, how I always want U near
I'm makin' U a coat of pink cashmere (Pink cashmere)
I'm gonna count every minute of every hour until U are here
(Till U are here)

Here I go again fallin' in love all over
Oh, the cycle never ends (Cycle never endin')
U pray U don't get burned

(I'm makin' U a coat of pink cashmere)
I'm makin' U a coat.. cashmere, baby, cashmere
(U got 2 know how I feel about ya, how I always want U near)
U got 2 know, yeah baby, baby, baby, baby
(I'm makin' U a coat of pink cashmere)
How I feel about U, how I feel about U, oh
(I'm countin' every minute of every hour til U are here)

When I get my arms around U baby (Yeah)
There's so many things I'm gonna do
I'm gonna hug U, I'm gonna kiss U
Like your, like your own guru
I'm gonna tell U a bedtime story baby
One U never heard before (Every minute, every hour)
I said one U never heard before (How I feel about U)
About a girl, about a boy (I'm makin' U a coat of pink cashmere)
And all their joy
All the things they show each other (Coat of pink cashmere (3x))
How 2 stay in love, how 2 stay so happy
Baby girl, so many things, so many things I'm gonna do
Can U come 2 that, can U get 2 that?
I'm gonna make... gonna... I'm gonna, gonna, gonna...
Gonna make a little pretty pink coat of cashmere

Cuz U got 2 know how I feel about U baby
How I feel about U baby
I'm gonna make a little pretty coat
I'm gonna count every second, every minute
Each and every hour of every day til U come on back
Come on back 2 your little man
