Prince

Lie down, fair 1, and come away  
Till the rain is over and gone  
G-G-Gimme the beat now (Face the music)  
Lead line (Face the music)

If the air is a little thick in this room 2nite  
I reckon it's the result of an onslaught of separatist rookies  
Overcome by this colorful sight

Talkin' so fast that even they  
Talkin' so fast that even they  
Don't know what they mean

Of all the things that base a rhyme  
How is it that U everytime  
Regurgitate the racist lines that keep us apart?

Thank God this ain't Monopoly  
U'd make us all go back 2 start

Race  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we dead

Race  
In the space I mark human (Face the music)  
Cut me, cut U  
Both the blood is red

I gotcha

Race  
Race

Check it

Three seats over there's a lady black  
Entrusted 2 her care is a little white girl  
And the fact of the matter is

Before her momma or another kid at school  
Tells her about the fallacy that 1 race rules over the other  
She'd be a much-better-off-left fool (Face the music)

If we never heard about the evils that those before us committed  
Then how my dear, tell me now how my dear, tell me now how now would we know

And then the band say

Race  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we dead

Race  
In the space I mark human (Face the music)  
Cut me, cut U  
Both the blood is red

I gotcha

Race  
Race  
(Face the music)

D-d-down with H-I-S-T-O-R-Y and all this BS propagandi  
Keepin U from me and me from U as we grow  
I don't wanna know (I don't wanna know)  
Why those before us hated each other

I'd rather believe they never did  
I'd rather believe (I'd rather, I'd rather believe)  
That there's hope 4 a kid

And if he imitates the best  
I guess that's what I'll try 2 be  
And I will let the rest dissolve with my guitar underneath the sea

Race  
(Face Face Face Face Face)  
Face the music (Face the music)  
Face the music

Race  
In the space I mark human (Face the music)  
Race  
Face the music  
We all bones when we dead

Race  
In the space I mark human (Face the music)  
Cut me, cut U  
Both the blood is red

Get it?  
Race  
Got it

Race  
Face the music  
Race Race  
(Face Face Face the music)  
Race Race  
(Face Face Face the music)
