People think I'm still fly, I read it  
In the Oakland Tribune  
They said I dance like I ain't gonna retire soon  
Well 'til I die and go and live in my heavenly mansion  
I keep the rock-n-rolling in a funky fashion  
Speaking of which, my rags are game  
When I see the maker, He asks my tailor's name  
Yeah, I got a gift  
Nothing's gonna make me lose it

The charts don't mean a damn when U free  
Double platinum - they don't believe it 2 be  
As long as Wild 107 don't play me (Freaks)  
The people in Moneyapolis
