

I Hope I Sell A Lot Of Records At Christmastime

Princess Superstar

Ah yo Santa let's get something clear
I'm half Jewish I shouldn't even be talkin about this time of year
But I'm near tears tryin to fund my record label career
While everyone drinks beer like they at Cheers
Makin Nintendo bets
on debts from bad rekkid deals for real I'm probably next
I'm here sweatin my ass off, it's July
But by the time this comes out I'll be behind my release schedule and
Mariah Christmas will be sellin' out - why?
I never did nothin bad to nobody
I'm still friends with all my Ex's who stole money (Aw honey)
Don't aw honey me Just give me the money please
One of those cards with a pocket for cash
A big stash or check to cash I'll snatch it
before you realize you acted rash and come at me all mad
I've been good, well pretty good, at least in my mind
Please let me sell a lot of records at Christmastime

Ho Ho Ho!
Who you callin' a Ho?

Look, I'm too poor to afford
life size cut out cardboard of me poured into a size 4
With a floppy Santa hat on the record store floor
Want ace product placement listenin station so while I'm on vacation
I got my face on Raisin Brans round the nation
I'm impatient need my wax to sell by the cases
Like Mase's in God's good graces I'll be gracious
Just let me retire with his wages
I'm not aimless I wanna be A-list
Hang out with someone famous
then my friends and I would all have someone to date us
Like Tom Hanks, Billy Blanks, Shabba Ranks or any of the Franks-
Stallone, Purdue, Avalon, or Delanor Roo
Bill Gates too-(Ew) It's true, all I gotta do is sell through
Go on tour then put out a live record real quick like Frampton or Badu
I got a cold, it's gonna be Xmas soon and I'm getting old
Hi Tower? Hi it's me again, how many units we sold?
You mean we didn't go platinum or like gold?
(Beep beep) Oh - that's my Rolls -
Yo wait I'm on a payphone please don't even try to put me on hold!!

Watch how fast I'd sell out, get the cash get the hell out
Be on VH-1 Where are They Now Eatin' filet mignons by the pound
Round baby, Fat and gettin' down baby
No need to fit in fancy clothes now
