Love Love to be a Player

I'm in the right mode, real bold untold riches in my pocket Well you heard my rhymes you seen my pictures Bitches see me, they wanna be me And all the brothers run to them cuz they can't reach me For real maybe I'm magic, everyone David Coppafeel Automatically grab it Diva Don't fuss believe me, you built like a bus I'm a jump you like Kneival in a rush, please I got a Ph.D a playa hatin degree when it ain't me check me University teach class dispatch grade D my Keats kick you in the Balzac Alls that so wack, hiphop hits gone bad, but that brag dag, it's temptin Money Cash Hoes let me kick a little somethin I can put the ho back in hotel, write, win a Nobel, run wit the cartel Rock? Well I rock well, slam like a Montel, fat eat a Snackwell Smack like a Bonne Bell Talk with the tic tac on the Startac wait hate that It's Rap gettin tired Booty Call of the Wild - I'm snorin Like Hootie all of a sudden-borin You Don't Blowfish? Hmm..Let me finish, I'm a step wit Someone on the right tip the right shit, the champ sip Trap for the flip hit Billboard shit Damn I did it (what for?) Connect 4, pretty sneaky sis, gimme some more Cuz this Cracker needs a Jack , need some caramel in the back And since you askin lick me like Baskin Like you Robbin cream/where you been? Multitask my ass like computer blue Year 2 Oh no shoot, Hal's gone crazy, Amazing, Grace Like Jones I'm a giant, Body Y-2-K compliant Please, I'm ready for 3 grand Cryogenic freeze, I'm the nations gift for future man No frozen skeeze jokes, Ya'all shut up I love to be a Player

I hate to be a Player, worse I hate to relay it

You better run for cover Last tango with the lover, get the butter See my vest !see my vest! Take it off see my chest (Doh!) I confess boy I'll house you Break you off a little I'm about to astound you Always ill on Principal like Victoria got a pimple shit now I'm borin ya Braggadacio should just be a font Tired of players, playa haters, playa songs It's time to innovate, elevate the music I can solve a Rubix, bounce my boobies Can't stop it, constant I'd better get a grip A-4 You sunk my Battleship Mackin it but fight back and hit Chaka and the Sleezestacks We really need that Time to succumb, drop the "succ" time to cum Put the suck back in make you cum again

You'll comprehend

If you want to be my lover

Stay the fuck away from my friends
