If you want this heart of mine
Take it slow it's hard to find
No one knows the things I feel
Don't look back, don't look back

What am I suppose to say
In this situations
You know a need to stay
Don't look back, don't look back

I wish I could say this was easy
It's getting harder to find me out
I know I'm a baby, baby
Without you I'm lost without

I want to go home
Cause you are my home
I want to go home
Cause you are my home

Now you know the awful truth
I can't live without you
If you walk out my door
Don't look back, don't look back

I could never be this same girl
I could never carry the world
Without you my heart would die
Don't look back, don't look back

I wish I could say this was easy
It's getting harder to find me out
I know I'm a baby, baby
Without you I'm lost without

I want to go home
Cause you are my home
I want to go home
Cause you are my home
I want to go home
Cause you are my home
I want to go home
Cause you are my home

I wish I could say this was easy
It's getting harder to find me out
I know I'm your baby baby
Without you I'm lost without
