

# Wallflower

Priscilla Ahn

Do you see me standing there in the corner  
I was alone, I always am at these big parties

Watching you, watching everybody  
Wishing I was more outgoing  
Wishing I was dressed up pretty

Wallflower, I'm not here, no one sees me  
Wallflower, I'm by myself, please excuse me

But there you were  
Standing in your own corner  
Your eyes were wide  
Tired, fading, just like mine  
We could be the best of friends  
I'm sure of it  
But I'm too shy to  
Cross this crowded room  
Besides

Wallflower, I'm not here, no one sees me  
Wallflower, I'm by myself, please excuse me

Help me leave this corner of the room  
I'm reaching out to you  
Cause I've got things  
I could talk to you about  
And we could be  
Wallflower friends 'til the end  
Wallflower friends 'til the end  
I'm sure of it

Wallflowers, we're not here, no one sees us  
Wallflowers, we're together, please excuse us
