

# Willow Weeping

Priscilla Ahn

I fell in love with a boy in blue  
I don't know why, but I felt like I could fly when he  
was near  
this will not do

(Ahh mmmm...)

I fell in love with hands on you  
slander sincere I shy I disappear  
oh he is dear  
if he only knew

Will he see what's becoming of me?  
I am a paddle.  
Will he please come and tend to me  
I am a willow weeping, willow

(hhhhhhhhhhhhhhooooooo)

Do you think that I am pretty?  
sometimes I do sometimes I don't  
look at me  
tell me honestly

Will he see what's becoming of me?  
I am a paddle.  
Will he please come and tend to me  
I am a willow weeping willow

(hhhhhhhhhhhhooooooo)  
(aah ah ah ah ah...)

Will he see what's becoming of me?  
I am a paddle  
Will he please come and tend to me  
I am a willow weeping willow

(hoo hooo hooo)
